

Are you interested in improving care services for people living with Huntington's Disease (HD)?

I'd like to get in touch with people living in England:

- Diagnosed or at risk of Huntington's disease (HD)
- Partners/relatives/friends supporting a person with HD
- Former partners/relatives/friends that supported a person with HD in the last 3 years

INTERESTED?

You can find more information and **take part** on the survey here:

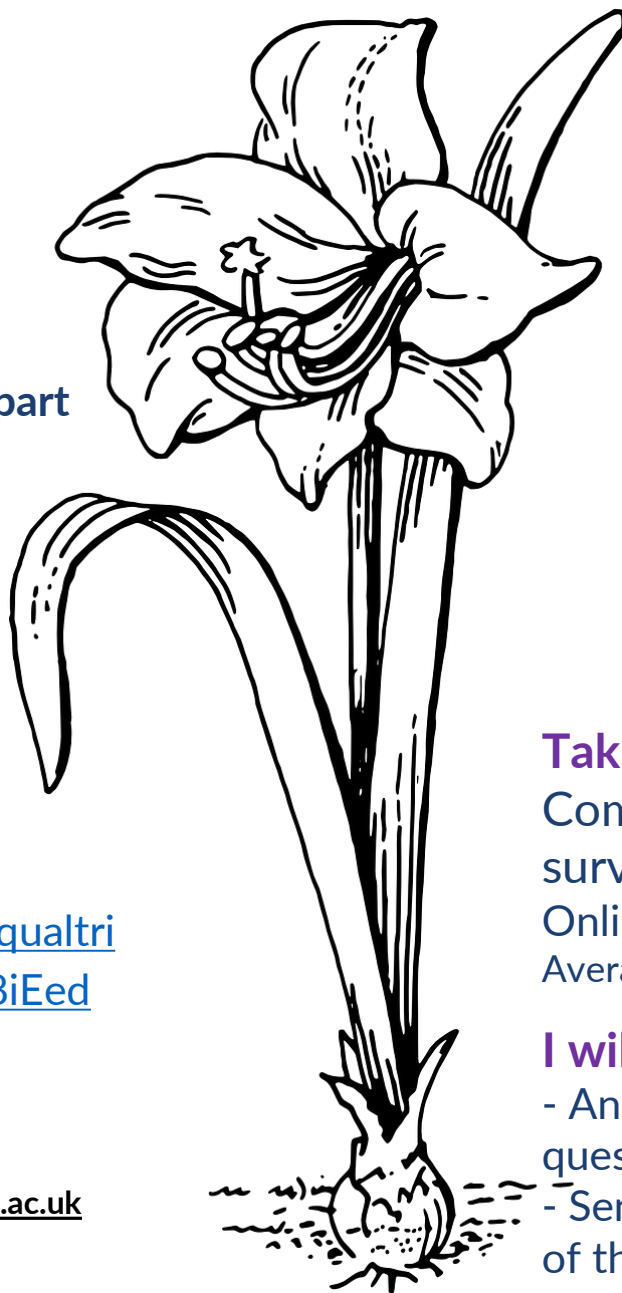

OR

https://southampton.qualtrics.com/jfe/form/SV_8iEedDJZy4xail6

Contact me with queries:

s.m.bartolomeu-pires@soton.ac.uk

Taking part means:

Completing ONE survey

Online OR paper

Average time 20-30minutes

I will support you:

- Answering any questions

- Sending you a copy of the study results

I am Sandra, a nurse doing a PhD to improve care for people with brain diseases.
