

## Welcome

Hello

We would like to wish everyone our best wishes for 2025. Our local group supports people affected by Huntington's disease in the Hull and East Riding area. Please read our group leaflet for more information about our group and how we can support local people.

After a very busy 2024, with many events and fundraising activities, we have met and welcomed new members and our Huntington's family has grown.

Our upcoming events include carers meals, a summer picnic Christmas party and our monthly meet-ups. Get in touch below:
