

Welcome

Welcome to our spring 2026 edition of our local newsletter. After a quiet winter we have begun to start our awareness raising events and our fundraising efforts for this year as well as the events we will be arranging to bring our HD family together. We have plans for a busy summer of fundraising and encourage you to come along and support or help out and to have some fun - of course!

Our Annual General Meeting (which is a legal requirement of being a standalone branch) will be held online on Thursday June 4th at 7pm and we would appreciate you joining us on Zoom.

We would also love to see anyone interested in joining our HD family at our many meet ups and events. A list of dates is below or you can contact us for more information and to confirm dates:
