Booking notes:

The weekend is open to children, teenagers and young adults affected by Juvenile HD, their parents and any siblings. The children/young adults with JHD and siblings usually take part in the adventure activities, and a separate programme is also offered for parents/carers.

The closing date for bookings is Friday 27 February 2026, and bookings may not be taken after this date. Places are limited and will be allocated on a *first come, first served* basis so please book early to avoid disappointment.

Families usually arrange their own travel, although if you need any assistance or would prefer to come by train and would like to be picked up at a local station, please contact us.

Please contact Helen Santini on Tel: 01279 507656 or Email: helen.santini@hda.org.uk if you have any queries about the weekend or want to know more about what happens.

*The weekend costs are covered, including accommodation, activities and all meals. We will try and cover travel costs as far as possible, but the contribution made will depend on the total number of people attending the weekend.
