

As the group is a branch of the national Huntington's Disease Association charity, we have an Annual General Meeting (AGM) when we review the previous twelve months, as well as look forward to the coming year and elect any new committee members. It is aimed to keep the formalities as short as possible.

Another of West Midlands Branch's commitments is to consider welfare grant requests made on behalf of a family by a local Specialist Adviser.

The committee for our Branch consists of the following people:

- Chairperson - Paula Aubrey
- Secretary - Az Khan
- Treasurer - Eric Church
- Event Coordinator - Emma Duggins
- Ordinary Committee Members - Geoff Abbot; David Duggins; Dal Padda; Jim Taylor; Sue Winwood; Jo West.

You don't have to be a member of the committee in order to bring ideas to the group. We look forward to meeting up with as many of you as possible throughout 2026.

## Branch meet ups

### **TouchBase Pears, (SENSE building), 750 Bristol Road, Selly Oak B29 6NA.**

The car park is accessed from Selly Wharf, behind the venue (off Elliot Road). Buses pass the front door or stop just up the road and Selly Oak station.

Saturday 21 February - 11am-1.30pm

Saturday 25 April - 11am-1.30pm

Saturday 6 June - 11am-1.30pm

Saturday 18 July - 11am-1.30pm

Saturday 5 September - 11am-1.30pm

Saturday 17 October - 11am-1.30pm

Saturday 28 November - 11am-1.30pm

The first hour of each session is usually very informal, we welcome new members, sit, chat and ask questions. The group is made up of people who understand - or at least some of - the difficulties surrounding Huntington's disease. At approximately 12pm we share Huntington's related updates, talk about things like fundraising opportunities, events, plan outings or any related topic. It is not unusual to hear some laughter at some point in the gathering too.
